

MAGNOLIA HIGH SCHOOL BAND BOOSTER CLUB

www.magnoliahsband.org

To our valued community partners,

The Magnolia High School Band Booster Club (MHSBBC) is dedicated to supporting over 150 exceptionally talented band and color guard students from Magnolia High School. We invite you to join us in championing these remarkable young musicians and performers through corporate sponsorship. Partnering with MHSBBC gives you a unique chance to make a lasting impact on these aspiring students while gaining valuable visibility for your business.

The mission of our band program is to develop the individual student through comprehensive musical experiences that promote lifelong learning. We strive to cultivate self-confidence, social maturity, leadership, and practical skills through musical excellence. We help young people by teaching them, providing access, and creating opportunities for students to study and make music. As a booster organization, we invest our time and talent to ensure our band program continues to thrive and nurture exceptional adults of tomorrow.

Our booster club is a non-profit 501(c)(3) organization that raises vital funds to provide our band program with resources beyond what the school district can supply. These funds are directed towards various needs including:

- Instruments and instrument repairs
- Private lessons to facilitate student growth
- Specialty technical instructors for our various ensembles
- Competition fees, transportation, and travel expenses
- Scholarships for our deserving students

Your generosity and support directly contribute to the growth and success of our band. With booster-raised funds, our fall marching & spring concert bands continuously challenge themselves and strive for excellence competing with other top-performing bands in Texas. Aligning your business with their pursuit of musical greatness demonstrates a commitment to excellence that resonates with our community and potential customers.

MHSBBC takes pride in fostering strong relationships with our sponsors. With a fast-growing community, our area presents an ideal advertising market for your business. As a valued sponsor, we offer various opportunities for brand exposure, such as announcements at football games, eye-catching truck decals, sponsor banners and shirts, and active promotion across our social media channels. Moreover, as our band travels, supporting our football team and attending marching competitions throughout the state, your brand can be proudly displayed on our Magnolia HS Band semi-truck, garnering attention wherever we go.

On behalf of our students, families, directors, and booster club, we extend our heartfelt gratitude for considering sponsorship of the Magnolia High School Band. Together we can create a dynamic partnership that amplifies the joy and success of our extraordinary band program.

Respectfully,

Albert Vela
Director of Bands
